

1 FASTENING

- stick the double-sided tape on the mounting plate;
- stick the mounting plate on the back of the Ghost document holder: it is provided with a removable edge distance clip;
- the edge distance clip must be detached from the mounting plate;
- drill fixing disc on the wall;
- Ghost document holder must be hung on the mounting plate.

FASTENING WITH FISCHER

2 REPLACEMENT OF DOCUMENTS

- Detail pointing out the easiness of this system both for insert of document to be shown and its replacement.

3/4 CLEANING

- lift to the top the two projecting grips and unhook the two elements;
- pull the unhooked element towards you for a better cleaning of the two elements (which remain hooked on the low side, to avoid eventual falls);
- never utilize detergent or abrasive products, clean by means of water and soap and dry by means of a soft cloth;
- re-positioning of the element following the inverse operation.

COMMUNICATING

When your communication is important, to get the expected result, put it up correctly.

Don't improvise solutions: to communicate is important.

With Ghost it's easy, immediate and neat.
